Corresponding email: s07@eugeo2013.com

S08. [Convergence, regional disparities and social cohesion: how did the financial crises change European geography](#)

Corresponding email: s08@eugeo2013.com

S09. [Crisis and new geographies of finance in European regions between social inclusion and resilience](#)

Corresponding email: s09@eugeo2013.com

S10. [Economic recession: interpretations, performances, and reifications in the tourism domain](#)

Corresponding email: s10@eugeo2013.com

S11. [ESPON evidence in a changing Europe](#)

Corresponding email: s11@eugeo2013.com

S12. [Ethics and geographical knowledge: which research for which legitimacies?](#)

Corresponding email: s12@eugeo2013.com

S13. [Ethno-cultural diversity and the question of the national](#)

Corresponding email: s13@eugeo2013.com

S14. [Geographies of TransformAction: spaces, processes, practices and tactics of reappropriation in contemporary activism](#)

Corresponding email: s14@eugeo2013.com

S15. [Geography and literature: from world's review to territories development](#)

Corresponding email: s15@eugeo2013.com

S16. [Geography education's challenges in changing geographies](#)

Corresponding email: s16@eugeo2013.com

S17. [Interdependencies between policies, energy consumption, and global environmental change: a geographic perspective](#)

Corresponding email: s17@eugeo2013.com

S18. [Is landscape a common? Geographical diversity of landscape's perceptions and changes through time](#)

Corresponding email: s18@eugeo2013.com

S19. [Just in time geographies. The challenge of big data and citizen science in spatial analysis and geographical thinking](#)

Corresponding email: s19@eugeo2013.com

S20. [Multiple geographical perspectives on hazards and disasters](#)

Corresponding email: s20@eugeo2013.com

S21. [New geo-geographies of exile. Displacements, re-placements and literary reconstructions of belonging](#)

Corresponding email: s21@eugeo2013.com

S22. [New spatialities: Europe and its neighbouring regions](#)

Corresponding email: s22@eugeo2013.com

S23. ["Old" and "new" economic geography: perspectives for city growth and development](#)

Corresponding email: s23@eugeo2013.com

S24. [Planning 'outer' relations: strategical partnership, neighbourhood policy and their local impact](#)

Corresponding email: s24@eugeo2013.com

S25. [Postmodern cartographies: epistemological and methodological issues in mapping power and social change](#)

Corresponding email: s25@eugeo2013.com

S26. [Recent development in global changes and human mobilities](#)

Corresponding email: s26@eugeo2013.com

S27. [Rural development and local identities in the European Union](#)

Corresponding email: s27@eugeo2013.com

S28. [Social capital in Europe: a geographical perspective. The social and economic networks of trust for territorial development](#)

Corresponding email: s28@eugeo2013.com

S29. [Spatialities: topography and/versus topology in contemporary spatial thinking](#)

Corresponding email: s29@eugeo2013.com

S30. [Sustainable land management: smart governance for changing geographies of land use](#)

Corresponding email: s30@eugeo2013.com

S31. [The Air, the Water, the Earthquake: perceived “threats” from the environment and the shaping of landscape](#)

Corresponding email: s31@eugeo2013.com

S32. [The European city: is there still a distinctive European model of urban governance?](#)

Corresponding email: s32@eugeo2013.com

S33. [Trends in historical geography. Applied research and methods for spatial and landscape planning](#)

Corresponding email: s33@eugeo2013.com

S34. [Which future\(s\) for agriculture in urbanising areas? Geography of innovation and innovations in geography](#)

Corresponding email: s34@eugeo2013.com

S35. [Repenser les migrations méditerranéens face à la crise économique](#)

Corresponding email: s35@eugeo2013.com

S37. [Symbolic Landscapes](#)

Corresponding email: infoeugeo2013.com

S38. [Land Use and Sustainability](#)

Corresponding email: infoeugeo2013.com

Thematic panels:

P01. [Changing geographies and policy challenges in European territorial cooperation and EU macro regional strategies](#)

Organizer: Silvia Grandi, Emilia-Romagna Regional Authority / University of Modena and Reggio Emilia (Italy)
